- **Walks and Steering Committee**

Tony P spoke briefly about the following:

1. Walk Descriptions

He hoped that members were becoming comfortable with the new “Walk” descriptions.

2. Leaders/TECs

There is still a need for more people to ‘put their hand up’ for these weekly positions, particularly considering the number of people who have done a leadership course.

3. What walk shall I join?

Consideration is being given to reiterating the day’s walk descriptions and complexities at the Rec Centre prior to departure, giving a “last chance” for members-to-decide/Leaders-to-verify which walk members should go on. However, it is pointed out that, in the end, members are responsible for their own safety.

4. Next committee meeting

The next meeting will be at the RSA, **Mon 01 Mar, 09.30**.

All constructive input and member attendance welcomed.

- **Health and Safety Matters**

Nil

- **General Business**

1. Replies to emails

Ian noted that there are still instances of members just ‘hitting’ the REPLY button in response to emails where the intended recipient is not the Secretary. PLEASE, PLEASE, THINK WHO YOU ARE INTENDING TO SEND INFORMATION TO AND CHECK THE ADDRESS(ES). Apart from adding to the Secretary’s workload, Governments and others have been very embarrassed because of not attending to this!!

2. Away Trip 2021

Tony announced a shorter ‘overnight mini’ trip is planned to Mt Lunar (Collingwood area) for 14-15 April. Details at a later date.

- **Sales Table Report**

Marja-Mia reported that \$40 had been received today.

- **Other Business**

1. GPS Alert Notification

Tony P noted that David Lucas and ‘Lenny, of Coppins Cycles’ were the two names that Search & Rescue authorities would initially contact if a PLB signal associated to the Group were to be activated, to verify that it could be a ‘real’ alert. Lenny wished to be removed from the list. Tim Rich volunteered to replace him.

2. Polly D was researching the feasibility of setting up a last minute walk cancellation-by-(mobile phone) text, rather than by email. If any member has mastered this skill, please contact Tony.

3. Ian took a quick show-of-hands on whether members would like minutes emailed to individual members (as for walk information), or that members were responsible for perusing them on the website.

The result was the latter.

- **After meeting**

The BYO picnic at Little Kaiteriteri is still on – see you there!

- **Meeting Closed**

Tony thanked members for their attendance.

The meeting was closed at 11.17am.
