- **Reports from previous month's walks/events**

February 2<sup>nd</sup> Wharariki bus trip cancelled due to weather. To be run on 2<sup>nd</sup> March which got cancelled again due to a nationwide shortage of bus drivers.

March 9 Mt Robert cancelled due to weather. To be repeated April 13 Some members made their own walk but walk 3 Waimea Inlet went ahead and enjoyed a good turnout and a nice day.

Rangiora away trip 19 to 24 March Tony: Delivered a brief report of the trip, which despite the weather, was very successful and enjoyed by those who went. With wind meaning the new happy hour tent had to be taken down during the first night, then heavy rain causing lots of mud and puddles. One day's walks cancelled due to forecast rain, which became sunshine, meant sitting inside away from a nice day. Shared experiences became the topic of the group but worth the trip.

Are there any other important issues or points of interest that need reporting this month?

Summer temperatures may influence some walks in the future.

A New Year potluck lunch at Little Kaiteriteri in late Jan, is preferred to a Xmas lunch during the busy pre-Xmas period.

Bus trips may need to be in school holidays and cost a lot more so check out other options.

A committee is being formed to run our leadership training.

**Next planning meeting Monday 29<sup>th</sup> May RSA 09.30am.**

- **Health and Safety Matters**

It is important that people assess their own capability of doing a planned walk by looking at the walk's description on the website or on the walks map and email distributed the week before the walk.

Remember to check what is in your first aid kits and replace what gets used. Suggestions are in the guidelines.
