A thank you from Judy Fisher for her birthday card.

4 yearly plan of Walks approved and finalised.

Information concerning the upcoming boat trip to ATNP, then cancelled due to lack of numbers.

Notification from Vector control about 1080 drop for November in ATNP

Quarterly program changed a lot so new one issued for November, December.

Jims story about Tramping Hut restorations and the Te Araroa Trail History. These are very well received, thank you Jim.

Please check spam/junk box and let me know if you are not receiving our emails.

- **Reports from previous month's walks/events**

October 5 Boat trip cancelled so walk Takaka Hill

October 19 Richmond Hills instead of Takaka Hill walkway

Nov 2 mostly rained off but 6 people walked to Cloustons mine.

Nov 9 Rain again but walk 1 went out with 7 people to Kairuru.

Nov 23 Kumeras 11 people enjoyed the walk and the wildlife including the Godwits.

Nov 30 Moa Park to Mt Evans track can be easily missed due to no maintenance so recce before next time.
Bike track ending very nice through bush.

Jan 4 Holyoake clearing not well attended but earlier start time avoided most of the heat. Split Apple Rock very successful with 13 mbrs attending.

Jan 11 Shaggery Forest closed due to fire risk. Champion mine walk replacement, hot but river crossings made it enjoyable.

- **Planning Committee meeting: AL**

Held on Monday 27th November 9.30am at the RSA.

Comments from previous quarter.

Mt Campbell via Wesley's (Lloydes) hut repeat but keep to cooler months.

Brook walks outside Sanctuary need new start point to avoid very steep slippery track.

Greenhills subject to windfalls and maybe due for logging.

Cloustons mine keep for walk 1 going round Gordons Pyramid.

Kumaras to be retained but with full list of other walks.

High Peak August 24 incident of vehicle damage discussed. A list of suggested improvements passed.

Next quarter.

Feb 1 Mt Arthur- already discussed.

Feb 15 Golden Bay bus trip cancelled so backup walks in place.

March local walks for those not on away trip.

March 28 new walk 1 Kairuru

Ross will quality check the program before release to the group, as a few errors were found recently.

Also discussed was the need to NOT rely solely on the map. Past reports and maps are very useful and a good guideline but, it is important to have regular recce's of walks due to changes on the roads, parking and tracks. Altering maps takes time so would only be done in time for the next time a walk is done.

Secretary's resignation accepted for next AGM. We also need a new vice president.

Please call or email me if you think you can help out.

Volunteers for recce's needed for

Highfield/Punawai circuit

Waimea stop bank/Brightwater Ramble TONY

Barnicot range Karen. Possible walk 2 down into Richmond then bus back to Marsden Road, Fran.

Done but probably no bus so maybe crossover.

The rule of new members and visitors not doing walk 1 is still in place but, at the discretion of the walk leader can be waived, with a reliable referee.

Next meeting Monday 26th February at the RSA 09.30am.

- **Health and Safety Matters**

It is important that people assess their own capability of doing a planned walk by looking at the walk's description on the website and on the walks map and email distributed the week before the walk.

When volunteering your car for a walk, check parking positions, availability, and road conditions.

In other words, read the fine print! Check if a recce has been done in case of any recent changes or damage to roads.

General Business

If members have any changes to their address or phone numbers, can they please let us know.

The AGM is scheduled for 11th April 2024, due to Easter and Anzac falling on Thursdays and Committee members being on holiday.

Situations Vacant: new secretary, vice president. These volunteers have committed two years or more, so it is time for someone else to step up. We have buddies & good support available.

Phone or email Anita please.

Pack or hat embroidered badges still available at \$20 each. If you do not buy them at the meeting, Karen will have them at the REC Centre on Thursdays.

2024 Away Trip: Tony P: March 11 to 14 in Golden Bay. Walks includes Mt Luna & others. Meeting 12th February 9.30am RSA.

Vote of Thanks: to Tony Pearson for his recent time and effort completing the 4 year Walks Plan, organising and negotiating the ATNP boat trip (cancelled due to higher costs) and the G.Bay mini-van trip(cancelled due to low numbers). I'm sure a lot of blood, sweat and tears of frustration were shed! Applause.

Replacement name badges: Kindly handmade by our member Clive Dyson. Email Karen or Polly if you would like one. \$2 to sales table.

Sales Table Report

Ask for the Sales Table totals: Vivienne. \$40.40.

Safety Skills: personal experience by Norah and myself when doing a recce at Kimi Ora last Wed. Remembering the safety rules and having the correct gear has saved some members some embarrassment while doing a recce. Using a map designed for another group caused orientation problems but having a cell phone, whistle and one person staying put saved the day and everyone got home safely.

Guest Speaker: Linda Jenkins and Lisa Nelson from the Tasman Bay Blue Penguin trust.

Intro: Anita

Vote of thanks: Bill

Next meeting will be the AGM on 11th April 2024. Same time and place.

Pot Luck Lunch: at Alex Ryder Reserve, Little Kai: anyone NOT know where to meet us?

Anyone need a lift?
