

Motueka 50+ Walking Group - Cable Bay Walkway

Meet at Motueka Recreation Centre car park at the advertised time to arrange transport. Parking is at Glenduan at the beach.

From Glenduan Beach the route starts up Airlie Street to join the walkway. **Walk 1** follows the walkway all the way to Sentinel Hill overlooking Cable Bay where lunch is customarily taken. The route is mainly on farm tracks, some on open country, in pine plantation and native bush where the tracks tend to be steeper and more rutted. **Walk 1** is about 14km with about 840m ascent, grade H1.

Walk 2 follows the same route more slowly but will not go all the way to Sentinel Hill, turning at the lone tree before the climb to Sentinel Hill. **Walk 2** is about 12km with about 670m ascent, grade M3.
